An autumn Business Mixer was held on Thursday, October 28 at the historic Bart Twp. Fire Hall. It was a great time to get to meet some of our Chamber home based business owners and discover what they are doing. Eleven different booths were displayed for SLCCC members to visit, ask questions, do some networking, and enjoy some tasty treats created by the business owners.

The Crab Bisque brought by the Bull Frog Inn was an especially delicious treat for the evening. Lively conversations were heard throughout the room as Chamber members and prospective members learned from other business owners. It was an evening well spent.

Spotlight on Chamber Members

Each month we'll highlight a few of our Chamber Members. We encourage all of our members to network, share ideas, patronize, and of course, tell your customers about other Chamber of Commerce Businesses and Organizations.

Gini Woy Photography was founded in 2001 after Gini, having worked in the photography industry for nearly two decades, left Godfrey Advertising to start her own business.

Gini embraces photography projects with passion and experience. Most recently, the bulk of her work has been lifestyle commercial shooting for such clients as Hershey Entertainment, Dutch Wonderland, Penn State Harrisburg and Millersville University. Her range of experience includes commercial studio photography, children's portraiture and photo journalism. She enjoys working with people and making them feel at ease in front of the camera.

A lifelong love of the county inspired Gini to create a book for Lancaster Farmland Trust (Wagner, 2001) - *Lancaster County Farm Life: Farming Families and their Commitment to the Land*, a snapshot of the farming families of Central Pennsylvania with all proceeds from sales of the book donated to Lancaster Farmland Trust.

Life in the southern end is rich with beauty and character in both it's landscape and people. Gini and her family - husband Kelly and two children, Henry and Stella feel blessed to live and own a business here.

I am a Solanco graduate, class of 1969, attended Dickinson College and graduated with a B.S. in chemistry in 1973. I received my D.D.S. degree in 1977 from Temple University School of Dentistry. My wife Barb and I felt that there was capacity for another dental practice in Quarryville. We purchased a lot on 4th street from Dr. and Mrs., Henry Huffnagle, built a building, and opened this practice of dentistry in April of 1978.

Quarryville has been very good to me and I have enjoyed living, serving, and doing dentistry here for the past 32 years. As dentistry changed and demanded more sophisticated techniques and equipment, I renovated the current building in 1994, doubling its size. One of the most important lessons that I have learned over the years is that business owners must constantly reevaluate themselves and the services they provide to keep up with the developments and changing markets in their field. The adoption of chair side computers in the treatment rooms and digital imaging technology is an example of a change that was at once a challenge and a tremendous opportunity to improve the quality of service and care.

I also believe that having mentors for the different aspects of our professional, business, and personal lives engenders growth and mastership in those areas. It was essential for me to have both professional and business oriented advisors to achieve the practice that I envisioned. The Southern End is a beautiful and friendly place to live. I am especially fond of the pace of life here and am very happy to be a part of this community.

Nerds R Us has been in business since 2005. Nerds R Us owner has been in the IT field since 2000. Nerds R Us specializes in computer sales & services for both residential and business customers. We love the southern end of Lancaster, everyone is very kind and polite. My favorite business memory is remembering when I first started my business I had no clients, no business training, and no money!

Please stop by our new location in Quarryville:
Nerds "R" Us
29. East State Street
Quarryville, Pa 17566
