COMMITTEE DESCRIPTIONS

Resident Packet Committee

CoChair Persons – Gary Griffith / Pat Fulvio

A program directed to new community residents to promote the services and products available through the businesses and organizations that belong to the Chamber.

Business to Business Communication Committee

Chair Person – Pete Rush

This is a way for a chamber member to inform, advertise and promote to other chamber members. This committee is responsible for making sure that our membership is aware of the products and services offered from their fellow members.

High School Senior Business Awards Program Committee

Chair Person – Jan Wagner

A program which establishes a Senior Business Award to be given to graduating seniors who will be starting a business or continuing on to college for a business education. This award was first given in 2004 at Solanco High School and was expanded to include Lampeter-Strasburg High School in 2005. A student from each school will be selected to receive a \$500 cash award. Chamber members are invited to include an additional gift in the award packets.

Summer Promotion Committee

Chair Person – Marty Hudacs

This program is set up to promote the chamber and its members to the community. Examples of projects include the new Chamber map that was distributed in the summer of 2009, and the SLCCC360 Promotion in 2010 that offered the community a chance to win some cash while supporting local spending.

Special Events Committee

Chair Person – Jodi Sensenig

This committee is assigned the task of producing events to promote networking such as our annual banquet, mini business expos, and coordinating participation by members in community fairs. Each year a banquet and membership meeting is held usually in March or April. The event is open to members and nonmembers. The format of the evening begins with a 1 hour meet and greet. A dinner is served followed by a short chamber business meeting and a program.

Business / Organization Search-Invite Committee

Chair Person – Susan Johnson

Our current focus is to solicit new members and equip our existing members with the tools to expand our membership. We are also focused on getting current “dormant” members more active.

Publicity Promotion Committee

Chair Person – Keith Kauffman

This is the information and communication distribution branch of the chamber and its various committees to the surrounding communities.

Web Site Committee

Chair Person - Larry Albright

This committee is responsible for overseeing the chamber web site (www.southernlancasterchamber.com) The primary goal of the Web Team is to develop and maintain a web site that provides tangible benefits for its members and the community at large. All information included in the site should be current and relative to the goals of the Chamber. The Web Team will be responsible for determining a schedule of visual updates and promotional content with input from current chamber members that will drive users to the site and keep the site fresh. A second Chamber-owned domain name is www.MyTownNow.org, which is linked directly to the Community Calendar of the main web site.

Networking / Mixers Committee

Chair Person – Norma Millard

Established to organize events to facilitate chamber members to promote and network with other members at a more informal setting.

Topic of Knowledge Committee

Chair Person – Frances Vita

It is the responsibility of this committee to obtain presenters of informational topics for the chamber meetings. These presentations are 15-30 minute brain food for members that attend our meetings.

Civic Interaction Committee

Chair Person – Len Brown

This committee is organized for the purpose of interacting with the Southern Lancaster County community. This committee handles the selection of the Person of the Year Award.

Welcome Committee

Chair Person – Kurt Wagner

This committee is responsible for welcoming our new members and coordinating the new Member breakfast.
